**Styrofoam**

Publix  
 UPS Stores

**Tires**

Alter Metal Recycling, 251-457-2140  
 Firestone Tire Centers

**\*Cleaners/Fertilizer/Herbicides/Pesticides**

The Alabama Department of Environmental Management recommends using a triple rise procedure: Fill the container ¼ full of water or oil. Swirl for 30 seconds and pour the rinse solution into a sprayer. Repeat two times. Spray the rinse water over a target plant or area. Wrap the container in newspaper and dispose the container in your regular garbage.

If you prefer to recycle the container, contact the Alabama Department of Agriculture and Industries for Information on the Pesticide Container Recycling Program. 334-240-7100

For unwanted, unused cleaners, pesticides, herbicides, or fertilizers, dispose at your local city/county Household Hazardous Waste Day.

*\*contact your local city or county office for information regarding their Household Hazardous Waste Day Program.*

*\*City facilities will only accept items from residents within the city limits. Identification may be required.*
